

Bingo

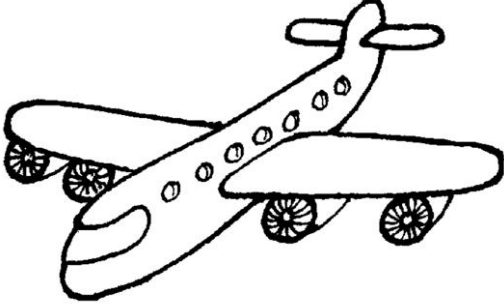

Needs: 48 things to cover the words, like tops or stones. 2 boxes for the word cards.

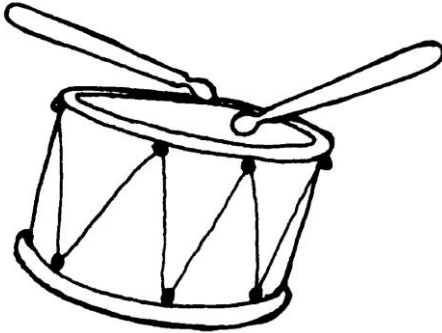

Cut the word cards and the 4 big cards.

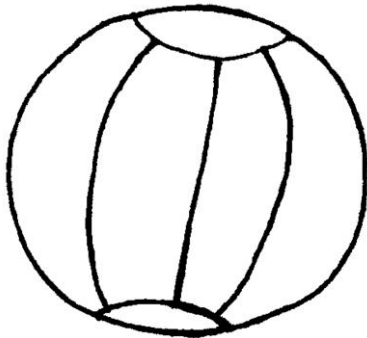

There are 4 big cards. For each player 1. Put the cards with the words in a box. Pick them one by one. Read the word. Each player that has this word on his or her card may cover it. Put this card in the other box and take the next one.

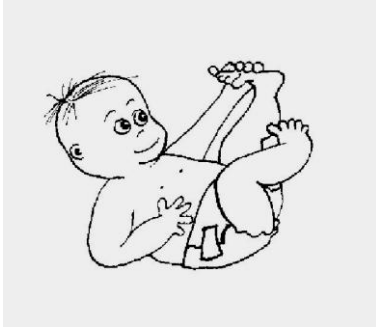

Who has, as the first, covered all the words of his or her card?
