Present and past, irregular. Needs: 1 or 2 dice, counters. Throw with the dice, read the verb, say or write the present and past tense with pronoun I. Follow the way, not crossing the fat lines. Blue: also make sentence with the word in the past tense; green: throw again; red: skip a turn
 Variation: Throw with 2 dice: 1 with dots and one with pronouns: I, you, he/she, it, we, they. Say or write the present and past with the pronoun that's up.
 Say or write also the future tense.
