Present and past, regular. Needs: one or two dice, counters. Throw with the dice, read the verb, say or write the present and past tense with pronoun I. Follow the way, not crossing the fat borders. Blue: also make sentence with the word in the past tense; green: throw again; red: skip a turn
 Variations: Throw with 2 dice: 1 with dots and one with pronouns: I, you, he/she, it, we, they. Say or write the present and past with the pronoun that's up.
 Also say or write the future tense.
